## SECOND CHANCE

Em9  
I hung my hat on a wishing tree  
B7 Am7  
I asked for one wish - I could've  
D  
had three  
G Bm Em  
but I only asked for what I needed  
Em9  
could've asked for money, riches  
and wealth  
B7 Am7  
but all I really wanted was to find  
D  
myself  
G Em D  
unaccustomed as I was to seeking  
G D C D  
and my heart whispered inside  
G D C  
and the moon rose and the angels  
D  
sighed.. and they said...

G D C D  
here comes your second chance  
G D C D  
you'd better believe it  
G D C D  
open up and receive it  
G D C D  
here comes your second chance  
Em C  
take a deep breath, this is your  
D G  
second chance.

make peace with your mother and  
your father, too  
make peace with the stranger  
inside of you  
and forgive yourself for the things  
you tried and failed to do  
embrace your anger, your lust and  
your greed  
that's how we drop the things that  
we don't need  
pick up a musical instrument  
or plant a seed  
that was my heart whispering  
inside  
'welcome' it said, 'you're home and  
dry'  
[chorus]  
well the years went by and my wish  
came true  
and i find myself here with you i  
had to climb that mountain there  
was no way around it  
and we all come and go like waves in  
the sea  
each with our own responsibility  
to leave this world more beautiful  
than we found it  
that's your heart whispering inside  
and you know your heart, it never  
lied  
(Miten)

## VERTICAL REALITY

walking...  
watching...  
breathing...  
feeling...  
there is no time in here  
there is no mind in here  
emptiness is what it is  
it's a vertical reality  
and it's big enough for you and me

walking  
watching  
breathing  
dreaming  
i must have about a million things on  
my mind  
but i've got my feet on the ground  
i can't remember what it was i  
hoped to find  
i'm just grateful for what i found

there is no time in here  
there is no mind in here  
emptiness is what it is

it's a vertical reality  
and it's big enough for you and me  
yes, it's bigger than the sun  
big enough for everyone  
it's a vertical reality

*(Miten)*

## INTO THE WIND

this is our aloneness this is  
our time  
this is the mountain we all  
have to climb this is our  
destiny wild and free  
we're all holding a master key  
to the empty sky

into the wind into the  
wind we fly

this is our aloneness this is  
our time  
this is the mountain we all  
have to climb this is our  
destiny  
beyond the small family  
i see no boundary between  
you and i

*(Miten)*

## HEARTBEAT

i can feel your heartbeat  
i can feel it in mine  
i can feel your heartbeat  
i can feel it all the time  
anytime of the day or night  
as we travel this winding road  
you gave me the greatest gift  
you made my heart my home  
you made my heart my home

i can feel your heartbeat  
like a flame burning deep inside  
i can feel your heartbeat  
so gentle and strong, so deep and wide  
any time of the day or night  
as we travel this winding road  
you gave me the greatest gift  
you made my heart my home  
you made my heart my home

*(Miten)*
