"We offer this album as an opportunity to experience the energy of our gatherings. For 25 years we have been the messengers of a 5000 year old tradition - mantra chanting - which has taken us all over the world, from Moscow to Miami, from London to Tel Aviv - and even into prisons, such as San Quentin in San Francisco. The tracks on 'Cosmic Connections Live' were recorded in Budapest, Edmonton, Frankfurt, Bath and Amsterdam with more than a little help from our musician friends Manose (bansuri/vocals) Joby Baker (bass/percussion/vocals) and Spencer Cozehs (piano/keyboards), who helped us expand our musical vision while being true to the essence of our vision. These ancient sound healing formulas from India have the power to transform our daily lives into a spiritual journey. They are an invitation to break free and to create a space of inner peace, harmony and meditation in this troubled world. A bridge to a Cosmic Connection." - Deva Premal & Miten
