

**Deva Premal Sings
the Moola Mantra**

Deva Premal

Prahbu Music

800/825-8656,

www.whiteswanrecords.com

I own every CD Deva Premal ever recorded; in fact, her music makes up *half* of my top 10 list. Her beautiful vocals transport me to the most sacred of spaces. *The Moola Mantra* is yet another exceptional CD, celebrating the “divine light in every human being” and the “expression of oneness honoring all spiritual paths.”
