

Short Bio

Grammy nominated, endorsed by celebrities as varied as Cher and H.H. Dalai Lama, with over 1.5 million album sales and over a million monthly Spotify listeners, **Deva Premal and Miten are modern day spiritual nomads on a mission to share the medicine of Sanskrit mantras with the world.**

As musicians, teachers and chant masters, they have been at the cutting edge of Sanskrit chanting for 25 years, enhancing the yoga practice of millions. Wherever music is utilised for meditation, stress management, personal growth and conscious contemplation, you will find the names of Deva Premal and Miten.

The couple, who met in an Indian ashram in 1990, model spiritually conscious living, travelling the world sharing a continual outpouring of great music and positivity.

Just what the world needs right now.
