bring me your love

(written chord D = all notes of D7 scale
with emphasis on D7add4)

bring me your love
bring it on home
bring me your body
your blood and your bones
bring me your rhythm
the rhythm of life
bring me your darkness
bring me your light
bring me your love
bring me the water
from your wishing well
bring me your longing
and your temple bells
bring me your love

bring me your poems
the ones you recite
the ones that you whispered
in the still sacred night
bring me your love
even butterfly wings
have the power to move air
there's a voice calling out
in the distance somewhere
and everybody's naked
beneath the fashions we wear
so bring me your love
bring it on home
bring me your body
your heart and your soul
bring me your love

Em7 (groove all the way!)
the circus just hit babylon
the stage is set the lights are on
tonight we sing
tomorrow we're gone
on the road to freedom

blessed you and blessed me
blessed this excellent company
blessed be the refugee
on the road to freedom

jesus wept and jesus cried
jesus he was crucified
body gone but love survived
on the road to freedom

rhythm of the heart

Bm
i can still remember

(G) (Bm)
the first time our eyes met

Bm
it was you and me and the mystery

A Bm
it's a time i will never forget

Bm
and in one timeless frozen moment

G Bm
that remains to this day

Bm
you looked into me - and i could see

A Bm
there was nothing in my way

G A Bm
it was the rhythm of the heart

F#
it was a fire shining through

G D
and i'm dancing to that rhythm

A
no matter what i do

G A Bm
it's the rhythm of the heart

F#
and there's only me and you

G A Bm
dancing - to the rhythm of the heart

Bm
now in one sense that time is over

G Bm
your body is long gone

Bm
but the love we share is still alive

A Bm
and that's what leads me on

Bm
i don't need to believe in love

G Bm
i can feel and i see it's right here

Bm
you gave me back my innocence

A Bm
and the will to disappear

G A Bm
into the rhythm of the heart

into the fire shining through

G D
and I'm dancing to that rhythm

no matter what I do

G A Bm
it's the rhythm of the heart

even if tonight will soon be over
even if today is here and gone
do not let the past
hang on your shoulder

A
what is done is done

Dadd4
even if your dreams are filled with shadows
even if your day refused to shine
we can tell ourselves
that nothing really matters

A
but still we can't deny

Bm7 F#m7 G
that after all is said and done

Bm7 F#m7 G A
in the end it's love that leads us on

D
so when the cold wind blows

and the oceans roar

and the god of love

A
is knocking at your door

D
and your mind says no

F#m G
but your heart says carry me away

Gm
listen to your heart

Asus A D
love will take us all the way

Em7 A7 D
all the way - whatever that means

Em7 A7 D
all the way - wherever it leads

D
so when the cold wind blows

F#m7
and the oceans roar

Em7
and the god of fear

A
is knocking at your door

D
and your heart says yes

F#m G
but your mind says not today

Gm
follow your heart

A D
love will take us all the way

Dadd4
so even if tonight
is filled with magic
even if tomorrow never comes
even if the daily news is tragic

A
still we carry on

Dadd4
on into the beauty of each moment
on into the love that never dies
out beyond our dreams in pieces broken

A
until we realise

Bm7 F#m7 G
that after all is said and done

Bm7 F#m7 G A
in the end it's love that leads us on

D
so when the cold wind blows

F#m7
and the angels roar

Em7
and the god of mercy

A
is knocking down your door

D
and your mind says no

F#m G
but your heart says carry me away

Gm
listen to your heart

A D
love will take us all the way

Em
follow your heart

A D
love will take us all the way
